

Thank you for choosing **ABL Asturias** for your transfers to and from Asturias.

Face masks are mandatory on Public Transport for both passengers and drivers due to current health and safety regulations. In addition, a safety distance is established on board with a limitation of passengers and excluding the co-pilot seat(s).

On board of our vehicles you will find:

- Individual hydroalcoholic wipes
- Water
- Surgical masks for passengers (mandatory)

Our chauffeur:

- Will be wearing his or her face mask
- Will use the hydroalcoholic gel before handling your luggage

Our clients' safety and health are fundamental for **ABL Asturias**. This is why we implemented an exclusive protocol that allowed us to keep a *0 Corona cases rate* ever since the pandemic started:

- Each and every chauffeur has their temperature measured before each service.
- We carry out antigen tests periodically on each chauffeur.
- We offer contactless payment methods in order to reduce contacts:
 - *Bizum*
 - *Contactless Card*
 - *Bank transfer for business accounts*
- Our vehicles are sanitised with **Ozone** before and after each transfer.
- Seat belts, seats, handles and arm rests are cleaned after each service with disinfectant solution spray.

If you booked your transfer or ride using our online form you will receive a confirmation email with all the details of the service and the cost to be satisfied by **card** or **Bizum**. Our chauffeur will WhatsApp you the pick-up details, such as origin and requested time schedule.

Have a good trip and enjoy your ride!
